

## The Oaks Ministry Housing Program

**The Purpose:** To provide transitional housing and Christian-based support services for women who would be actively working towards financial stability and other related activities.

**The Mission:** The mission of the Oaks Ministry is to provide hope, healing, and restoration in a Christ-centered residential environment for women in need.

**The Vision:** We believe every woman can be changed by the knowledge of and a personal relationship with Jesus Christ. The Oaks Ministry strives to show the love of Christ to women who are facing difficult times and are in a transitional state of life. Through sharing Christ's love, we support women through Christian counseling, guidance, and support services so they can become financially stable and responsible members of the community.

**Program Application and Acceptance:** Women that desire to be accepted into The Oaks Ministry Housing Program must complete an application and submit it to The Oaks Ministry, 290 Bethel Road, Oxford, Pa 19363. The application will be reviewed by the Board of Directors of The Oaks Ministry.

After reviewing your application, if the Board determines that you are a possible candidate for the program, they will contact you and set up an interview. If, after the interview, The Oaks Board determines that the program would be of benefit to you, you will be required to complete all the necessary paperwork and submit to a drug test prior to moving into the program house.

If you are in an emergency situation and in need of immediate housing, the Board may make a decision to waive the application process and allow you to move into the property immediately if there is housing space. If you are allowed to move in without going through the application process, you will be required to complete the application within 48 hours. If you do not complete the application and are not willing and/or able to sit for an interview within 48 hours of being allowed temporary access to the property you will be required to vacate the property immediately upon verbal notice from the Resident House Manager.

Evaluation criteria will include program success potential, spiritual growth and commitment, disciplinary issues, program involvement, ability to get along with others, attitudes, goal, employability, and passing the drug test, etc. All Board of Directors decisions will be considered final.

## Expectations and Responsibilities of Residents

**Program Service Agreement & Waiver of Liability and Hold Harmless Agreement:** Upon being accepted into the program and prior to moving into the house, you will be required to sign The Oaks Ministry Housing Program Service Agreement Acknowledgement Form and a Waiver of Liability and Hold Harmless Agreement. The Oaks Ministry Housing Program Service Agreement is not a lease or rental agreement. The Program Service Agreement is your acceptance and agreement to abide by the programs policies and procedures and fulfill all financial obligations of the program. The Oaks Ministry Board of Directors reserves the right to revise the Policy and Procedures and/or the Program Service Agreement at any time without prior notice. **The Oaks Ministry Board also reserves the right, at their sole discretion, to adjust any part of the program as needed to assure the success of any participant in the program.**

**Minor Children:** The Oaks Ministry Housing Program is for adult women only. No children will be allowed to reside in the house.

**Mentor and Accountability:** You are required to have an Oaks Ministry approved mentor and will be assigned one from our Ministry Team. Team members reserve the right to discuss your progress in the program with the Resident House Manager or a member of the Board of Directors or another team member to ensure that you have the best support possible to successfully complete the program.

**Teaching, Training and Counseling:** Your ministry team will meet with you concerning your progress spiritually, relationally, educationally and financially. During this meeting, the team will make recommendations to each resident regarding suggested/required Biblical training and counseling services for marriage, family, financial, addiction recovery, goal setting, career assessment, being a woman of God, etc. This will be done with sensitivity and great care in an effort for each resident to be restored to a balanced and healthy Christian lifestyle.

Formal team meetings to evaluate the resident's progress in the program will be approximately every thirty (30) days while the resident is participating in the program. Residents are to prepare for this meeting by providing the necessary paperwork and by actively sharing progress on goals in addition to any comments or concerns about the program with her team.

**Financial Management:** Part of successful independent living requires the ability to responsibly manage one's personal finances and to make timely payments of one's financial obligations. Financial integrity is a necessary and important life skill. To be adequately prepared for the future, you will need to build a solid foundation in finances. You will be assigned a financial advisor to assist you with your financial management. You may be required to provide a credit report and criminal background check at the time of application to the program and to construct a budget within 30 days of acceptance into the program that will meet all legal and financial obligations. Together

with your financial advisor you will discuss debt reduction and saving goals and participate in financial planning training meetings.

All program participants will be required to open their own checking account at a financial institution of their choice. Your financial advisor will monitor the resident's accounts to verify proper handling of finances and payment of financial obligations. The resident will provide her financial advisor with copies of pay stubs, bank receipts, bank statements and proof of payment of any and all debts and financial obligations of the resident. Lending or borrowing of money between residents is not allowed.

Each resident is strongly encouraged to align their life with the Biblical teaching (Malachi 3:10) regarding tithing (a tithe is 10 percent) on their gross income to their local ministry/church. Financial accountability is a prominent feature of this program.

### **Employment:**

- All residents are to be employed or actively seeking employment, upon being accepted as a Resident of The Oaks Ministry House.
- All residents are to be employed on or before the 60th day of residency.
- Residents receiving SSI benefits are also expected to work. At a minimum, residents receiving SSI benefits are to have a part-time job to subsidize their SSI benefits.
- All employment must be legitimate in nature, meaning taxes are withheld, and a payroll check is issued. Jobs where payment is made "under the table" are not considered legitimate jobs.
- The Oaks Ministry Board reserves the right to verify the resident's employment and job performance with the employer.
- The Oaks Ministry Team may assist in finding employment opportunities, but the responsibility of finding, and maintaining, employment remains with the resident.
- In the event a resident becomes non-employable for personal or medical reasons, the Oaks Ministry Board will determine their ongoing eligibility for residency.
- Any resident who refuses to work or does not proactively seek employment will be asked to leave the program.

### **Program Fees:**

A program fee of \$5.00 per day is payable to The Oaks Ministry by each resident. Each resident must submit the program fees to the Resident House Manager by the first of the month for the upcoming month. Payment will be collected immediately for those with income. Otherwise, payment will be collected after the resident has secured employment and received their first paycheck. Amount due at first payment will be calculated from the first day of employment through the next full month. Each subsequent month will be paid in full (\$150 or \$155) by the first of the month.

All payments received later than (7) days past the date due, will be subject to an additional \$2 per day late fee. This late fee will be applicable for all the days the resident has been part of the program and late paying the applicable fees.

If a resident is late paying the program fee:

1. The first time the payment is late the Resident House Manager and/or the resident's financial advisor will personally meet with the resident to work out the problem if deemed necessary.
2. If the resident is negligent in following the Resident House Manager and/or the resident's financial advisor recommendations and situation is not resolved, the individual may be dismissed from the program.

***Dismissal from the program for late or unpaid program fees does not in any way release the resident's obligation from any unpaid program fees or other financial obligations due to The Oaks Residential Program.***

Fees paid in advance will be forfeited if a resident is dismissed from the program for any reason or the resident voluntarily leaves the program.

**The Matthew 18 Principle:** This program adheres to the Matthew 18 Principle regarding differences and or disputes between program participants and/or Resident House Manager or Team Members. If a difference arises, the person should immediately go to the other person to seek a resolution. If this does not resolve the issue, then the person should take another person with them, i.e. an Oaks Ministry Team member, in an effort to resolve the difference. If this does not resolve the difference, the person should request to have the differences heard by The Oaks Board or Ministry Team as a whole. Such requests should be in writing and submitted within five (5) days of the

incident. Residents agree to abide by any decision made by The Oaks Ministry Team/Board in the resolution of differences and/or disputes including but not limited to dismissal from the program.

**Personal Hygiene:** Good personal hygiene is important for the prevention of disease and illness and it is required to be a part of the program. Residents are expected to shower often.

**Personal Property:** The Oaks Ministry Housing is not responsible for the security of any resident's personal property left in, on or about the house or property. Personal property must be kept in the residents' personal area. **The Resident House Manager or Board Member reserves the right to inspect any resident's personal property at any time.** Any departing resident is personally responsible for removing all personal property from the house and property. If such items are not removed within three (3) days after departure or dismissal of resident, the unclaimed property will be disposed of or sent to a local charity as a donation, unless other arrangements have been made and the departing or dismissed resident has received written approval from the Resident House Manager or Board Member.

**Personal Dress and Behavior:** Each resident is held responsible for their behavior, dress and conduct. Residents must wear appropriate attire at all times. Shirts should always cover the midriff, whether bending or reaching up. Bra must be worn at all times except for bedtime. Necklines should be modest with no cleavage showing at any time. Fingertips should touch edge of shorts or skirt. All clothing must be clean and neat. If you are a smoker, you will be asked to keep all your clothing in a plastic bag until they are washed. Perfumes and other fragrances should be very minimal. Hair should be clean and neatly groomed. Residents may not display offensive language or images on any clothing at any time while a resident of the program. The following behaviors will result in immediate dismissal from the program: Assault and violence, threats of violence, theft, vandalism, possession or use of illegal or unauthorized drugs on or off the premises. Behaviors that offend the dignity of anyone may result in your dismissal from the program. Included but not limited to in this prohibited behavior are ethnic, sexist or racial slurs, physical advances or intimidation, abusive or foul language, disruptive behavior, disrespect for others and the possession or viewing of pornographic material. Each resident must conduct themselves in a way that is considerate of another's need for peace, quiet, privacy confidentiality and safety.

**Length of stay:** The Oaks Ministry Housing Program is a 9-18 month, live in program consisting of 3 phases.

**Phase 1: (3-6 months) We begin with orientation and evaluation of their personal needs, spiritually, emotionally and physically. Residents will set short term goals and work on restoring family and personal relationships. By the end of this phase our residents will be gainfully employed.**

**Phase 2: (3-6 months)** Our residents will expand their goal-setting to long term goals such as what they are going to be doing when they leave the program. They will work on budgeting, meal preparation and other basic life skills that help them adapt when they return to the community.

**Phase 3: (3-6 months)** In this phase residents implement the goals that were set for their departure such as finding housing, networking with other organizations to have needed services available in order to begin their new life in the community including a church family.

At the end of the above period, residents are expected to move from the house into their own personal residence unless other arrangements have been made or the Board has approved an extension. The Oaks Ministry Board reserves the sole right to grant or not to grant any extension to the program. Length of extensions granted will be determined by The Oaks Ministry Board in cooperation with the resident. Decisions by The Oaks Ministry Board will be considered final.

**Responsibilities to Serve:** Each resident will be expected to volunteer time and services to help others at an Oaks Ministry Team approved ministry or agency. Residents must adhere to all applicable rules and regulations while on or about any property of any other ministry or agency.

Residents are encouraged to spend a daily time of personal devotion and prayer. Group devotions will be scheduled by House Manager at a convenient time for all residents. All required meetings are to be a priority while in our program unless work schedule prohibits participation.

**Not being active in all required meetings may result in termination of the program. The Resident House Manager or Oaks Ministry Team members reserve the right to verify the resident's participation and attendance at meetings. Be on time for all appointments and commitments.**

**Mental Health Evaluation:** Upon admittance to The Oaks Ministry Program, a Mental Health Evaluation Intake is required within the first thirty (30) days. Once that is done, a schedule will be set up for regular counseling sessions with a professional Counselor. Biweekly sessions will be mandatory with an option for weekly sessions if requested or recommended. The counseling sessions will be paid for by The Oaks Ministry unless the resident has insurance that will provide coverage. The only exception to this is if any resident fails to cancel or reschedule her appointment with 24 hours notice; in this case the resident will be responsible to pay for the charges associated with

a missed session. If a resident is already being counseled by a qualified professional outside of The Oaks Ministry, this may be considered for approval in place of what is required by the program. This will be evaluated on an individual basis and if it is determined that counseling is still required, the resident must adhere to this policy or may be dismissed from the program.

**Legal Obligations:** As a condition of the program, all residents are required to continue to meet any and all the requirements regarding any outstanding or continuing legal issues, including court dates, the payment of child support, garnishments, restitution, pending charges, etc. The resident is required to show proof of payment to a member of the Oaks Ministry Team including her financial advisor on all legal and financial issues. Not fulfilling legal and financial requirements is grounds for the resident's immediate dismissal from the program.

**Curfew:** The following curfew applies to all residents. Adjustments can be requested to accommodate special work, educational schedules and/or other circumstances. All curfew (morning or evening) adjustments must be made by written request to and approved by the Residential House Manager a minimum of three (3) days in advance. The Residential House Manager reserves the right to cancel any and all passes in the event that any or all residents do not keep up with the housekeeping duties or other responsibilities.

**Logbook:** Residents must “personally” sign in and out in the house designated log book upon entering and leaving the property. The time and destination must be specific along with a phone number where you may be reached. This information will be used for resident's accountability and to locate the resident in the event of an emergency.

**Housekeeping Responsibilities:** All residents are expected to do their part and/or assignments to maintain a clean, safe, and orderly environment. The Oaks Ministry Board of Directors will make periodic visits to the property inspecting the cleaning and upkeep of the house and property. The Residential House Manager or Board of Directors reserves the right to inspect any and all areas including the residents' personal area of the house and/or personal property at any time.

**Visitors:** Because the Oaks Ministry Housing Program is a transitional program and is made available on a temporary emergency basis, there will be no outside visitors allowed on the property. This policy is for the best interest of the residents in order to avoid any conflict during their stay. In the event that there is an emergency situation that necessitates visitation, the resident must request special permission for the Residential House Manager. The Manager will determine whether or not this exception should be granted. The Oaks Team Members, Volunteers or the Board of Directors are not considered visitors.

If a resident has been found in violation of this policy, they will be immediately dismissed from the program and be required to immediately vacate the property.

If a resident feels that the test is a false-positive, they may request to immediately submit to another administered test. They must also immediately vacate the property. The cost for the additional test will be the resident's responsibility. If the 2nd lab test also shows positive, the dismissal from the program will stand. If the 2nd lab test shows that the first test was a false-positive, The Oaks Ministry will reimburse the resident for the cost of the second test and the resident may re-enter the program.

and/or dismissal from the program. WIFI codes are for Residential House Manager or Team Members and will not be available to residents to be used on their own personal devices. Computers are not to be removed from the computer desk and residents are to be considerate of other residents when it comes to the amount of time spent on the computer.
